PLACEHOLDER RESUME - DRAFT

K Praveenkanth

Aspiring AI / ML Engineer

codewithpraveenk@gmail.com | github.com/Codewithpraveenk

This is a temporary portfolio download. A complete resume will replace it.

EDUCATION

Chennai Institute of Technology
B.Tech Artificial Intelligence & Data Science - Second Year

PROFILE

Aspiring AI/ML engineer learning through practical projects, with an interest in applying intelligent systems to community needs.

PROJECT

RuralCare Connect
A student care-navigation prototype addressing access to rural healthcare. Combines AI-assisted intake, rule-based risk classification, and facility matching based on proximity, required services, and simulated capacity.

Live demo | GitHub repository

ACHIEVEMENT

Selected for SIH Round 1 at college.
